Newsletter

09/02/24

A massive thank you to all the children, staff and parents/carers for all your support over this first half term. The children are really working hard and I am giving out lots of stickers for their incredible work. Year 5 had an incredible D and T lesson at the Fablab at BCA High School this week. They made birdboxes and were taught some new skills. Please look on Facebook and X for photographs of what the the children are doing in and out of school.

Have a lovely break and I am looking forward to seeing you all again after the holiday.

Miss L Browne
Interim Headteacher

YOUNG VOICES

What an experience the choir had this week at Young Voices in Manchester.

They were all amazing and the feedback from families has been extremely positive. Thank you to everyone who has passed on their thanks to the staff and took the time to send emails. It really does make a difference to us all.

I would like to share one comment that we received:-

‘Teachers and supporting staff are always under-sold for the work they do, but please believe us, we can see that your hard work, care and joy in your work, shines out from the children in your care.’

NEWS

Thursday 22nd Feb- World Thinking Day
