

**Spring  
2024**

# NEWSLETTER

## Welcome to our first SEND Newsletter

The purpose of this newsletter is to provide parents and carers of children at Penketh South Primary School with an overview of the support given to children with additional needs.

We have been holding half termly coffee mornings for parents and carers and this newsletter will reinforce the information shared at these events.

We hope you will find it useful.

- Sensory Circuits
- Attention Autism
- Maths

## Support in School

At Penketh South Primary School, our children are at the centre of everything we do. We aim to identify the needs of all pupils as early as possible. This is part of our graduated approach, in which we Assess, Plan, Do, Review. This ongoing cycle ensures that effective provision is put in place and also removes barriers to learning.

We have a range of interventions taking place daily in our school to meet the needs of all of our children. We believe in inclusivity for all and strive to make this a reality for all our pupils.

# ADDvanced Solutions

ADDvanced Solutions Community Network aims to improve the emotional health and wellbeing of families living with neurodevelopmental conditions, learning difficulties and associated mental health needs through a social model of learning and support; engaging, educating, encouraging, equipping and empowering families to better recognise, understand and meet their own needs and those of their family, building resilience to help them manage every day challenges whilst increasing participation and reducing social isolation.

ADDvanced solutions offers structured programmes and workshops that give parents, carers, and supporters the skills, knowledge and confidence to enable them to better recognise, understand and meet the needs of their family living with neurodevelopmental conditions, learning difficulties and associated mental health conditions.

## Save the Date

Our next coffee morning will be held in the school hall on Thursday 25th April at 9am.

We will be welcoming a representative from the School Mental Health Team.

## THE LOCAL OFFER

The Warrington Local Offer puts all the information about education, health and care services, leisure activities and support groups in one place. It has two main purposes: To provide clear, comprehensive and accessible information about the support and opportunities that are available.

The Ask Ollie Website is a one-stop shop of SEND information, with a directory of local and national services to support children and young people with additional needs, and their families.
